

Why JBQ?

The Bible is God's truth for daily living that guides us to know God and interpret our lives through the lens of His character and

perfect will. According to 2nd Timothy 3:16-17, All Scripture is God-breathed and is useful for

teaching, rebuking, correcting and training in righteousness, so that the servant of God may be thoroughly equipped for every good work. We want to thoroughly equip our children for both the life and work they are called to! JBQ is a powerful ministry that systematically teaches children God's Word! It is also a powerful tool for families to learn God's Word together. To learn more, check out the website— www.kidmin.ag.org/jbq

Bible Master Program

The Bible Master Award Program is another way for children to learn the Bible and achieve something while doing it. This is a great ministry for children who struggle with confidence during competition.

This is a great non-competitive way to boost a child's confidence and teach them the all important truths of God's Word.

For more information on the Bible Master Award, be sure to check out the national JBQ website— www.kidmin.ag.org/jbq/jbqbiblemaster

Making the Bible Fun For Kids

What is JBQ?

Junior Bible Quiz (JBQ) was created and designed to help children develop a love for the Bible and an understanding that its truth can guide their lives daily.

Junior Bible Quiz offers a fun, interactive, way to motivate children to understand the all-important truths in God's Word. Through cooperative learning, children work together on teams to learn and understand the questions and answers from the Bible Fact-Pak. Then using cooperative competition the children meet with other teams for a fun quizzing match. There are twenty questions in a match, with two teams of quizzers trying to beat each other on the buzzers to get the first shot at the answers. It has been said that JBQ is the fastest growing discipleship program in children's ministry.

How Does JBQ Work?

- (1) Children study questions and answers in their Bible Fact-Pak at home with their parents or a family member.
- (2) Children attend weekly practices, where they are mentored by coaches who test their knowledge and teach them a deeper understanding of the truths they are studying.
- (3) Every season, Children participate in 5-6 competitions with other children in other churches in Wyoming and Colorado, where they are further tested and challenged in their knowledge of the Bible Fact-Pak.
- (4) Children can achieve special awards called the Bible Master Awards for just their knowledge of the Bible Fact-Pak outside competitions. So for children who are not very competitive, there are alternative paths of success.
- (5) Studies have shown JBQ to be an effective and systematic method of studying the Bible for children. Studies have shown that 88% of children participating 3 years or more, continue their Christian walk into adulthood.

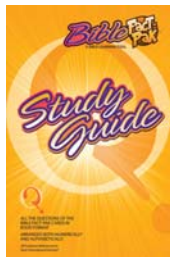

What is the Bible Fact Pak?

The Bible Fact-Pak contains 576 questions and answers drawn from the Bible. Some questions provide background about the Bible and its contents.

Other questions explore the teachings and doctrines within the Bible. All of these questions together give children a solid basis for a strong and lasting relationship with God.

To many people, 576 questions and answers may seem overwhelming, however the children learn the questions and answers bit by bit over time. And through cooperative learning and competition, children work together to learn the Bible Fact-Pak as a team. JBQ is a team sport that encourages children to work together to learn and understand the Bible!

Children can either study the Bible Fact-Pak by using the Fact Pak Card Set or the Fact-Pak Study Guide. Each child will need one of these in order to successfully participate in JBQ. We recommend the Bible Fact-Pak Study Guide, although some children work best with the Card Set. The Bible Fact-Pak also comes in an Audio CD format. Talk with your church's coordinator to acquire one of these for your child.

What is a Quiz Team?

A quiz team consists of a coach, one or two assistant coaches, and two to eight children eligible to quiz.

Quiz teams travel to competitions and work together to learn all the questions and answers found in the Bible Fact-Pak.

- Being on a quiz team is optional to the experience. Children who desire not to compete but still want to come to practices and learn the Bible Fact-Pak are welcome.
- However, being on a quiz team is a privilege. Children who choose to be on a quiz team must demonstrate a commitment to study the Bible Fact-Pak, attend practices, and participate in competitions. The team depends on its members to give their best effort and contribute to the success of the group. Please take this into consideration when your child chooses to join a team. There is a special commitment they will need to agree to.

Are there different levels of Competition?

In Team Quizzing there are three competition classes.

- (1) **Discoverer Class** for new or young quizzers. They focus on 10 point question.
- (2) **Searcher Class** are for older or intermediate quizzers. They focus on 10 & 20 point questions.
- (3) **Achiever Class** are for the most advanced and experienced quizzers. They focus on 10s, 20s, & 30 point questions and provide the ultimate challenge to the kids!

Ultimately, we do our best to provide the right level of competition so that all children can be challenged, yet find competition that is on their level.

JBQ is for What Ages?

A child is eligible to quiz if he/she is starting 1st-6th grade in the fall.

How Much Does JBQ Cost?

There are two key costs to JBQ.

- (1) Study Material- the study guide costs \$12. The study guide is required. Resources like the Audio CD or the Card Set are optional, but very helpful.
- (2) Competition Registration- This cost varies, but it usually is about \$30 a year.

If the cost is ever an issue, please let us know. We would never allow the cost of JBQ to come between the opportunity to participate. We hope to put on some fundraisers to help cover these costs so that all children can participate in this ministry.
