

November 10, 2019

We are so glad you've joined us in celebrating our Savior! Our intention in our worship is to honor and glorify Jesus Christ. We do not claim that our way of worship to be the only way; it is, however, our way. We love to stand while we worship. If you become tired while standing, please feel free to be seated. If you feel led to pray during our Praise & Worship, our altars are open.
