

Wednesday FUEL Stops

The Book of Hosea

The **Book of Hosea** is a deeply personal and passionate love story. Hosea, an old-testament prophet, preached his own life message using his marriage as the sermon illustration. Be amazed by the love of Hosea for his wayward spouse—and more amazed by the unfailing love of God for His wayward people.

Wednesdays at 1:00pm (ZOOM) and 7:00pm

FREEDOM

Freedom is a 12-week study that renews the mind to the Word of God. The study focuses on identity, not issues. There are too many Christians still living in bondage because they do not know their identity and authority. Freedom helps participants realize what they truly believe about themselves and allows God to close old doors and open new ones.
